## TO THE RESIDENTS OF THE TOWN OF PITCAIRN

I thank the residents of the Town of Pitcairn who obtained the proper permits for their projects in 2022. Please check with the Town Clerk or myself to obtain the proper permit for any new projects. I still have not seen 4" high, 911 address numbers on all mailboxes, homes or both. Please do so because the numbers are important for first responders. Thanks to the people who have cleaned up junk and garbage on their property. I know your property looks nicer to you and to the public. Thanks for your cooperation.

Larry K Atkinson, Code Enforcement

Justice Court is held the 1<sup>st</sup> & 3<sup>rd</sup> Thursday of every month at 7:00pm. The court will only accept certified cashier checks or money orders. NO PERSONAL CHECKS! \*If you are dropping off cash and would like a receipt you MUST bring a self-addressed stamped envelope.

The Town is looking for anyone interested in the vacant Justice position. If you are or know of anyone interested please contact the Town Clerk.

From the Supervisor's Desk:

The Town Budget for 2023 is completed. I want to thank our Budget Officer and Town Board for the help in developing our budget. The town's rating with the State Comptroller's Office is again at 0.00, meaning we are in the best financial shape, one of a very few in St. Law. County! Feel free to contact me with any questions. 315-415-6450
